

# Home stretch before Le Mans !

Trappes, 2<sup>nd</sup> april 2015

Focus on the setting for the 2015 season of the World Endurance Championship, the Suzuki Endurance Racing Team aims to refine the final adjustments of the Suzuki GSX-R1000 to play the outposts.

Decked out the number #30 in honor of the 30th anniversary of the GSX-R, queen of sport bikes, the SERT motorcycle is adorned in 2015 of a dress in the colors of the GSX-RR MotoGP.

But beyond this aesthetic change, SERT focus their efforts both on motor development as the chassis part where the DUNLOP tires development must be consistent with the new Ohlins suspensions adopted since this season.

We invite you to discover the SERT video, with our riders Vincent PHILIPPE, Anthony DELHALLE and Etienne MASSON, at their last test day on the Mireval circuit, development track of our partner DUNLOP.

The countdown is started ... Rendez vous now with the SERT for the 24 Hours of Le Mans motorcycle 2015, next 18 and 19<sup>th</sup> of April !
